Greetings

The 11<sup>th</sup> Annual Greenwood Demolition Derby is happening again this year 3<sup>rd</sup> and 4<sup>th</sup> of June. We are letting you know as early as possible so you may get those derby cars ready and to save some money by pre-registering before **May 27<sup>th</sup>**, 2006. We enjoyed all, that participated last year and we look forward to seeing you all again.

Enclosed are the rules and regulations, along with a **revised registration** form, with names for your Powder Puff and Grudge drivers on the form. At the end of the main event on Sunday, if your car is still running, your Powder Puff and Grudge drivers can sign and pay their \$10 registration fee. (If you have any questions, ask the ladies on the registration gate). Please be sure to **READ the RULES and REGULATIONS**. Pre registration is **\$70** (pre-register by mail) or **\$80** at the gate, registration fees are **NON REFUNDABLE**. A **\$50.00** bond for clean up, which will be refunded when car and area has been cleaned up, will again be required. We ask that, if you are paying by cheque, that you write one cheque for registration and a separate cheque for the bond. Also enclosed is a poster, please help us advertise, by displaying them in a prominent location.

A big focus on safety must **always** be observed. Please be aware the pits are a **RESTRICTED** area for drivers and pit crew only. Due to the safety concern of children being in the pit area, a maximum of **4 PIT PASSES will be attached to each member's wrist at the gate. Any driver or associated pit crew who DISTURBS, HARASSES or IGNORES ANY OFFICIAL during an event will automatically be DISQUALIFIED.**

**\*\*\*\*The DRIVER and PIT CREW are RESPONSIBLE for keeping their own areas clear of non authorized personnel, which includes ALL CHILDREN under the age of 16. Any driver with CHILDREN in their pit area will be given one warning only and then will be DISQUALIFIED. NO EXCEPTIONS, NO EXCUSES!!**

**Please remember: these rules are for YOUR SAFETY!!!!\*\***

All drivers are asked to bring their own **flags**. These consist of a double-ended pole/stick, with a **white** flag on one end and a **red** flag on the other end. Drivers **must** have these flags in their cars. If you do not have one, we have these available from the Derby Committee information tent (behind the announcer booth) for a small fee.

Drivers are **always** welcome to attend a meeting with the committee, to discuss any issues or questions. Please email or phone one of the above numbers for information on committee meeting dates.

We look forward to seeing you here for a fun (and **safe**) family event.
